Pastor’s Corner

At times we call the Bible a love letter from God. It's good that God thinks enough of us to communicate with us. Since we are convinced God loves us we should take His love letter to heart and follow all He asks of us. Every day we can be instructed and guided by this letter which God sent so long ago. When on Patmos John wrote letters in behalf of God. He wrote letters to 7 specific churches in Asia Minor. I know we have seen the message of each letter as being applicable to the church, as a whole, during different eras of church history. However, we need to remember that these letters were first sent to living, breathing Christians who resided in specific cities and who were the members of specific churches in Asia Minor during the first century. In regard to these letters, I believe we need to understand as much as possible within the context of that ancient setting. Let's try to place ourselves back in time, being the original recipients of these letters. What would the arrival of these letters have meant to us? What advice, encouragement or warning would we have gleaned from each of these letters? These letters came from God's heart of love as He sought to lead and comfort His believing children during that long ago time in those faraway places. Thank God He still does the same for us today through His written Word. Through the Holy Spirit God still comes to us today in order to teach, encourage and guide us.

There is no AY or Desire of Ages study this Sabbath because the Sunshine Band will be visiting Jackie Carr in Hopewell, VA, immediately following lunch. Jackie now lives at River View on the Appomattox Health & Rehab Center at 201 Eppes St., Hopewell, VA 23860, so we will be carpooling to go see her and we'll be leaving at approximately 1:30 p.m. Even when she was not in her best health, Jackie used to love going to Shelton on the Bay nursing home with us to sing and cheer up the residents there, so now it's time we bring some cheer her way. All are welcome to join us.

The Sunshine Band will be going to **Bayside Assisted Living Facility** the 4th Sabbath of each month and also go to **Shelton on the Bay** on the 2nd Sabbath of each month. Everyone is welcome to come and support this outreach.
